

## MEMORANDUM - May 10, 2022

**To: State Superintendents of Schools and Facility Planners**

**From: Arabia Davis, Funding Programs Manager**

**Re: Fiscal Year 2023 Aging Schools Program Allocations**

This memo serves as notification of the availability of funding through the FY 2023 Aging Schools Program (ASP). At their meeting on April 14, 2022, the IAC approved revisions to the ASP Administrative Procedures Guide and the FY 2023 ASP application schedule. ASP funds are distributed to the Local Education Agencies in accordance with the FY 2023 capital budget bill.

In general, the funds can be utilized for capital improvements, repairs, maintenance, and deferred maintenance work at existing public school buildings and sites serving students. These funds may also be utilized to address life, safety and public health risks that may negatively impact the well-being of the students and teachers.

Please see the IAC's Aging Schools Program Instructions for information regarding the application process. The FY 2023 Aging Schools Program allocations for each school system, as shown in Attachment I, totals \$8.064M, which consist of \$6.109M of new authorization and \$1.955 M from unexpended prior year authorizations.

The Aging School Program schedule is as follows:

FY 2023 Aging Schools Program Schedule	
Application submission period	April 15, 2022 to April 12, 2023
State Funds available	July 1, 2022
Project must be under contract	June 30, 2023
Requests due for reimbursement for all FY 2023 projects	December 1, 2023

**Note: Reimbursement deadline was revised to February 1, 2024 at the 11/9/2023 IAC Meeting.**

For your convenience:

- The [Aging Schools Program](#) information is on the IAC website.
